- Truth in Taxation meeting resulted in the passing of an increase of 0.0946 mills to be levied in 2025.
- Dave spoke of the effect the elimination of state revenue sharing proposed by the Michigan House of Representatives will have on rural townships. The elimination would result in Colfax no longer able to run "in the black" as state revenue accounts for ~2/3 of a township's monies. Please write or call your representatives, Senator Bumstead and Representative Fox to voice your concern.
- Colfax will be hosting the MTA Oceana Chapter meeting on Wednesday, September 24 at 6:00 pm. An MTA speaker will be talking about state revenue sharing.

Public Comment

- Resident asked about the fire department, trucks, etc. He had heard the pumps didn't work. Dave explained that the fire department was dissolved ~2 years ago, not enough volunteers, older community, would not provide an EMT service, cost prohibitive, etc.
- An emergency call went to the wrong area. Reasoning: Lakeview and Lake Shore appear to be connected on the map; however they are not one and the same. What can be done? Several suggestions offered.
- Steve T asked about folder he submitted in August meeting re Assessor. Dave responded that he is working on it internally.
