\***Resolution 2026-1** Updating Noise Ordinance (O 2006-2)

DL asked for any questions/concerns re. the updated version of the ordinance from Board and from Public. Word 'annoying' was brought forward as a concern, DL explained in the case of law, words do not necessarily have the same meaning as they do in day-to-day life. The Sheriff Department would make the initial application of the ordinance; the Board has Judicial Control. Also noted that the ordinance can be modified if needed at a later date.

Motion by DL to accept the resolution adopting the new, updated noise ordinance, 2<sup>nd</sup> by JG.
