DL has set up an account with EGLE. Also noted that Sheriff Dept has come to look at the launch to establish if they are able to launch their boat and do not feel they are able to safely launch, jeopardizing potential search and rescue, etc.

~Blight Ordinance: SB states she does not support any blight ordinance. JG states that there is a difference between what is blight and what is 'junk'. It is a health and safety issue. DL states that we are trying to initiate in baby steps, not suggesting major, immediate changes. SH states that she likes Shelby ordinance more than Grant as Shelby's definitions are better. States violations need to be spelled out. DW states that we need to do something to clean up the area, it is a matter of taking pride in your area. Ideas: Establish a fund to help those who may struggle to rent dumpster, etc., proceeds from Flea Market to go to this fund, establishing a committee to develop ordinance (2 board members + citizens), notice of intent to develop committee on web site

~Flea Market: Held the Friday and Saturday of Labor Day.

~Road Brining: June 22 & 23
