April 7, 2026 Meeting Minutes

- B) Big Pabama Lake access-new owner has blocked off boat launch and parking area. Road commission has committed to having parking area opened; however, they cannot control access to boat launch. DL will speak with DNR and EGLE to address lake access/boat launch.
- C) School Section Lake:
- i. Boat Launch belongs to Road Commission. EGLE would have to allow for dredging of area. SH has spoken with Lake Association and they may be willing to apply for dredging permit. SB will contact Mitten Beach Cleaning for estimate for dredging.
 - ii. Several lake residents have approached SH regarding creating an ordinance for wake boats. As we do not have a township marine division to enforce such an ordinance and the Sheriff Dept marine division has a limited presence, it is unadvisable to create such ordinance.
 - iii. DL asked if there was anyone who would be interested in creating a new sign for the beach.
- D) The can goods pantry is currently tabled as the Wesleyan Church currently has a pantry and serves the same area.
